What is the interest rate?

| | Rates effective 08 May 2024 | | | |
|-----------|-----------------------------|-----------------------------|-------|--|
| Tier | Annual interest gross p.a* | Monthly interest gross p.a* | AER* | |
| £1 - £999 | 0.10% | 0.10% | 0.10% | |
| £1,000+ | 4.86% | 4.75% | 4.86% | |

*Gross p.a. is the rate of interest paid without the deduction of tax per annum. AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. As every advertisement for a savings product will contain an AER you will be able to compare more easily what return you can expect from your savings over time.

Where interest is payable, it is calculated daily and can be credited to the account or transferred to your nominated account.

Where payable, annual interest is paid on 5 April each year and monthly interest is paid on the last working day of each month.

Can Kent Reliance change the interest rate?

The interest rate on this account is variable and can change at any time. Up to date information on our interest rates can be found on our website, **kentreliance.co.uk/interest-rates**, in branch or by calling our head office.

For full details of interest rate changes, please refer to Condition 28 of our Savings General Terms and Conditions.

What would the estimated balance be after 12 months based on a £1,000 deposit?

| Projected balance | | | | |
|-------------------|-----------------|------------------|--|--|
| Deposit | Annual interest | Monthly interest | | |
| £500 | £500.50 | £500.50 | | |
| £1,000 | £1,048.60 | £1,048.60 | | |

These projections are based on interest being credited to the account, no interest rate changes, no withdrawals and no additional deposits.

The above projections are provided for illustrative purposes only and do not take into account individual circumstances.

Additional information

You may split your current tax year ISA allowance between multiple Kent Reliance ISA products.

If you choose to open multiple Kent Reliance products in the same tax year, these will be treated as a single ISA under HMRC regulations.
