## Can Kent Reliance

 change the interest rate?*Gross p.a. is the rate of interest paid without the deduction of tax per annum. Please note that the automatic deduction of tax on savings interest ceased with effect from 6 April 2016. AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. As every advertisement for a savings product will contain an AER you will be able to compare more easily what return you can expect from your savings over time.

Where interest is payable, it is calculated daily and can be credited to the account or transferred to your nominated account. Where payable, annual interest is paid on 5 April each year and monthly interest is paid on the last working day of each month.

## What would the

 estimated balance be after 12 months based on a $£ 1,000$ deposit?The interest rate on this account is variable and can change at any time. Up to date information on our interest rates can be found on our website, kentreliance.co.uk/interest-rates, in branch or by calling our head office. For full details of interest rate changes, please refer to Condition 28 of our Savings General Terms and Conditions.
